Achievements in IIT-JEE, 2010	16

Mr. D. K. Goel
(Founder Chairman and Chief Mentor)

FIITJEE was created in 1992 by the vision and toil of Mr. D. K. Goel, a Mechanical Engineering Graduate from IIT Delhi. We had a very humble beginning as a forum for IIT-JEE, with a vision to provide an ideal launch pad for serious JEE aspirants. Onto the way to realization of this vision, we somewhere went beyond just coaching for IIT-JEE. We actually started to make a difference in the way students think and approach problems. We started to develop ways to enhance students' IQ. We started to leave an indelible mark on the students who have undergone FIITJEE training. We started changing lives. And all this was not a sheer coincidence. It was the urge, the compelling desire, to always aspire for perfection and in the process, continuously keep on setting newer benchmarks of excellence, which enabled us and our students to achieve what we have achieved. Today, aiming for the unachievable and continuously raising the bar has become a part of the FIITJEE DNA.

The success of our students was inspiring and so was their faith in FIITJEE. It was this faith that was a catalyst for our venturing into areas beyond IIT-JEE. It was this faith that prompted us to embark on a mission to provide **wholesome school education** to students through FIITJEE Integrated School Programs like Supreme, Pinnacle and Ascent Plus, in a way so that there was no need for any type of coaching outside of the school system. In addition to the launch of FIITJEE Junior Colleges in Hyderabad, many like-minded schools across the country joined hands with us in this student centric endeavor to create Ideal School Education platform for students to get admission in IITs & US Universities without stress & tension along with huge success in Olympiads, SAT-I & SAT-II. We extended this education platform to students preparing for Medical Entrances through GURU Junior College, created specially for Medical Aspirants. And it was this faith only that again enabled us to create landmark success in NTSE.

And it is this very faith that has again inspired us to provide a platform for students aspiring for admission to US Universities in form of USA UnivQuest - a comprehensive program taking care of all aspects of the preparation - in the same old, trusted FIITJEE way. Launch of FIITJEE World Schools at Hyderabad is a concentrated effort in that direction, where students will be trained for the best in the world through methodologies and practices that are truly world class. Students in other select cities will also have an opportunity for preparing for admission to US Universities through USA UnivQuest School Integrated Programs to be run in collaboration with our select associate schools.

This journey from just an IIT-JEE coaching institute, to the most powerful brand in serious education has been exhilarating. However, the journey is not over yet. For us at FIITJEE, The journey will never be over... For us, this journey itself is the destination.

Since its inception in 1992, FIITJEE has always supported meritorious and deserving students to succeed in their career goals. Students joining FIITJEE's training programs have excelled not only in IIT-JEE but also in AIEEE, other Engineering Entrance Examinations / SAT / Olympiads / NTSE & KVPY. FIITJEE's emphasis on making the students imbibe the fundamental concepts of Science & Maths and on sharpening their analytical skills and parallel thinking processes has ensured that the students have also performed excellently in their school studies & Board Exams.

The prime objective of FIITJEE has been to provide students with a platform where they are able to access the collective knowledge of experts that can help them in achieving their goal. It has been our endeavour at FIITJEE to make this pool of knowledge accessible to as many students as possible, purely based on their capabilities & potential and not on their financial ability. In consonance with this belief FIITJEE has supported financially weak students with scholarships & grants.

Taking the initiative of helping the economically underprivileged to a larger level, in the year 2008, FIITJEE constituted **FORTUNATE 40** – A program to provide world-class training to serious students from financially weaker backgrounds to achieve their goal of success & Top Ranks in IIT-JEE and Other Competitive Exams.

The program will financially support capable students presently studying in class VIII (going to IX) & class X (going to XI) whose total parental income is below Rs. 10,000/- per month. FIITJEE will support these meritorious students in their preparation for achieving their dream goal by awarding 100% scholarships for FIITJEE programs & 100% waivers on hostel charges. For Integrated School Program the school fee will be charged from the student (at some locations scholarship on school fee may also be awarded). The FORTUNATE 40 batch for each program, at each location, will have a maximum of 40 students only.

Students will have to appear for a selection test on **21st November, 2010**. There is no registration fee for the selection test. To be eligible for the **FORTUNATE 40** batch, students have to clear the individual subject cut-offs & also the grand total cut-off. Selected students will be notified and admitted to the program with 100% scholarships.

The final discretion of award of scholarship in each case will remain with FIITJEE and this decision will be final and binding on the candidate.

Though the number of seats in IITs are limited but any student preparing for IIT-JEE at FIITJEE reaps benefits beyond IIT-JEE. FIITJEE takes pride in improving attitude, creativity, analytical skills & IQ of all its students. This change helps each of our students in giving his/her best performance in all vistas of academic pursuits and career thereafter.

Who can apply

Aspirants of IIT-JEE, 2013 {students presently in class X (going to XI)} &
Aspirants of IIT-JEE, 2015 {students presently in class VIII (going to IX)}

Selection Test Date

Sunday, 21st November, 2010

Last date to apply

Thursday, 18th November, 2010

Eligibility to appear in selection test

1. The student should be presently studying in class VIII / X and be an aspirant of IIT-JEE, 2015 / IIT-JEE, 2013.
2. Student should be from Central Government, State Government school for under privileged class for example students studying in Navodaya Vidyalaya Samiti Schools. The total parental income should be below Rs. 10,000/- per month.

Other students (studying in public / private schools) may also apply, however their application will be considered on case to case basis and on the discretion of the management.

Criteria for Scholarships

Students will be short-listed on the basis of their performance in the selection test. All short listed candidates will have to perform well in all subjects. Students will have to clear individual subject cut-offs as well as grand total cut-off to qualify. Thereafter students may be called for an interview at their respective study centre.

For students presently in VIII (going to IX)

IITs have restricted the no. of attempts for IIT-JEE. Students now just have two chances – one just after the XII board exams and the second immediately in the next year. They should try to succeed in IIT-JEE in the first attempt itself and not take unnecessary pressure as uncertainty of ill-health or any accidents while appearing for the second & last attempt could be too risky.

Till the eighties, it was alright if you started your preparation just after XI and at the beginning of XII, but even then to get Top Ranks you had to begin your preparation at the commencement of XI itself. In late nineties it became a norm to start preparation at the beginning of class XI and devote at least two years to train rigorously for IIT-JEE.

Now, with the increase in competition and keeping in mind that only two chances are available, only the very talented students can succeed by starting their IIT-JEE training in XI. But, if you do not

have an inborn spark that can put you in Top 6000 students in JEE you have no other choice but to start as early as class IX to achieve the desired success in IIT-JEE.

Four years of intensive IIT-JEE training within the school framework is ambrosia for IIT-JEE. SUPREME – Four Year Integrated School Program helps students excel in IIT-JEE, X & XII Boards, KVPY + Olympiads & SAT besides enhancing their IQ at every stage.

Since, SUPREME - Four Year Integrated School Program (for that matter PINNACLE – Two Year Integrated School Program) is a social effort, the fee that we charge is less than half of our cost of the program, therefore we have very limited seats available in SUPREME - Four Year Integrated School Program as well as PINNACLE – Two Year Integrated School Program.

For students presently in X (going to XI)

PINNACLE Program prepares a student for IIT-JEE, AIEEE, other Engineering Entrance Exams, International Olympiads, SAT, KVPY & Excellence in XII Boards.

PINNACLE is a revolution in school education, in fact education at all levels. PINNACLE prepares a student for IIT-JEE within a school schedule ensuring Top success in IIT-JEE as well as XII Board Exams. What's more, students don't have to compromise on sports & extra curricular activities.

Note: Not all program options will be available at all FIITJEE Centres. Kindly contact your nearest FIITJEE Centre for more details.

MARTUND SHEKHAR

Student of
FIITJEE's
PINNACLE - Two
Year Integrated
School Program
for IIT-JEE, 2011

I am Martund Shekhar, a student of FIITJEE. two year classroom, school Integrated program (PINNACLE) I joined FIITJEE in April 2009.

I joined FIITJEE through FORTUNATE-40 test, which provides me 100% scholarship in tuition as well as hostel fees. This was a boon for me as could not be able to join FIITJEE if were ~~to~~ not given any scholarship, as financial condition of my parents was ~~is~~ not so good.

My experience at FIITJEE is very good, my faculties are one of the best faculties in the world, they gave both concepts as well as all mental support. My teachers are excellent in terms of explaining concepts and they try to make concept interesting and practical. Besides teaching, FIITJEE system was also excellent. Quiz, CPP and phase test are taken which helps me in strengthening my concepts.

FIITJEE's support is the only tool which help me in achieving my goal. I consider myself very lucky as I got a chance to join FIITJEE. I recommend all the students, especially those who belong to economically deprived families to join FIITJEE through FORTUNATE 40 exam for cracking IIT-JEE and making their dream comes true.

PINNACLE - Two
Year Integrated
School Program
for IIT-JEE, 2012

My name is Suraj Kumar. I am a student of PINNACLE, 2-year school integrated programme of FIITJEE.

I was the student of Brahmishik Mission School, Abohar. I always wanted to clear IITJEE with a good rank. My father is a labour and my family income is about 1200/- . The financial condition of my family did not allow me to get proper guidance which is a must to stay in competition in current competitive scenario.

I got information about FIITJEE FORTUNATE-40 Admission Test on 15 Nov. 2009 through 'The Tribune'. I got excited and appeared in the qualifying examination and cleared to get 100% scholarship for joining the PINNACLE Program. Through which I got tuition fee, school fee and hostel fee waiver. Also I need not to pay any amount for study material and AITS etc.

At FIITJEE, I got an opportunity to learn concepts by a team of dedicated experts in PCM, who develop the concepts right from basics and take students to real IITJEE levels. Also my teachers are constantly motivating and guiding us by clearing even the smallest of our doubts. Besides this, the study material and classroom atmosphere is excellent. We are given regular concept sheets and cpps for self practice.

To develop immunity against examination fears, weekly tests and phase tests on IITJEE patterns are conducted with instant results. Test analysis session are excellent which make us learn through our own silly mistakes.

By joining FIITJEE and studying here, I realized now, I made the best choice and confident that I will clear IIT Exam with a good rank.

And I feel this Fortunate-40 program is the best ladder for unprivileged aspirants to achieve their goals.

Student of
FIITJEE's
SUPREME - Four
Year Integrated
School Program for
IIT-JEE, 2012

Before joining the program, I was studying in a very remote area of Gaya (Bihar)

But still I had the dream to pass in I.I.T. Exam. I wanted to study in good institutions to fulfill my dream. but I was unable to go there as my parents income was very less. There was no any chance for me to pass in IIT Exam. But by God's gift one day I knew about Fiit-jee and its Fortunate 40 Exam. Through Fortunate 40 Exam, Fiitjee is supporting the students who are economically underprivileged by awarding 100% scholarships & 100% hostel charges waiver. I was knowing through this exam I can get 100% scholarship and fulfill my dream. I prepared hard to qualify in this Exam and got 100% scholarship. This was my first step for achieving my goal.

I joined Fiit-jee. I got the perfect atmosphere here. I got knew I have got the best faculty Teachers. The teachers always motivate us that we can do better. They help us in any kind of problems. By coming here I knew about various competitive Examinations like NSO, RMO, NTSE etc. Now, I can solve the problems of these competitive examinations. It also give me confidence that I can do better. Teachers also help us in improving our personal development which can help us in facing interviews. Fiitjee is giving 100% scholarships to less privileged students to achieve their goals. I can get rank about 1 to 10 in IIT.

FIITJEE
WORLD SCHOOL

FIITJEE continuing with its tradition of innovation and setting new benchmarks in the education domain has conceptualized and embarked onto the path of establishing FIITJEE World Schools for students of class VI, VII, VIII, IX & X. Established under the aegis of FIITJEE Foundation, FIITJEE World Schools is a concentrated effort towards preparing students for admission to Universities in the USA within the regular school timings.

FIITJEE World School - Vision and Mission

To create a school system that is truly complete in itself –

- Providing wholesome education & preparing students for life long excellence
- Focusing on essential life skills & ethics – enabling students to lead a better life
- Nurturing and developing thinkers and opinion makers
- Giving a platform to students for global careers
- Yet grounding them in solid Indian Value Systems
- And making education a completely enjoyable process by eliminating stress out of the child's life

Goals of FIITJEE World School

- ❖ Prepare honest, truthful and conscious citizens of this world – who can attain leadership positions and also be conscious of their responsibility towards the society and the world.
- ❖ Prepare students comprehensively to compete in all scholastic / competitive exams relevant for that class.
 - Preparing students for admission in US Universities - in all Science Streams, Engineering & Medical faculties.
 - To create success for students in various competitive & scholastic exams in India e.g. NTSE / National Science Olympiads / IIT-JEE / KVPY etc. and finally enable students to secure admission in prestigious colleges / universities of United States of America.
 - Students will be prepared extensively for Advanced Placement Tests (US College Board), SAT-II subject tests (US College Board), SAT-I and TOEFL.
 - To prepare students for admission into colleges / institutes / universities ahead of IITs in the World Rankings.

Needless to say, these students will, in any case be very well prepared for IIT-JEE, KVPY, Olympiads & other scholarship / competitive exams in India.

Ideal School Education

... is one where you do not have to make choices. Choices between performance in boards or competitive exams. Choices between academics and extracurricular activities. Choices between learning and remembering. And most importantly choices between enjoying education and being stressed by it.

Ideal School Education is one with a holistic approach that is comprehensive, so that, there is no need for any sort of coaching / tuitions / supplementary support services. Where the goal is not just good marks in the Board exams and, in the pursuance of this goal, other areas like competitive exam preparation etc. are not neglected / discouraged. Where a child is not stressed during the pursuit of a good performance in the board exams and in the competitive exams. And where the child is able to deliver his / her best in both – boards as well as competitions – that too by having to go through a single system of learning. Where the extracurricular curriculum is hand in glove with the overall objective of wholesome education – making students ready for global careers as well as enabling them to conduct their lives in a much desired, honest, ethical and truthful manner.

FIITJEE World Schools are operational at Hyderabad since April, 2010 at the following locations :

1. Ameerpet
2. Dilsukhnagar
3. Narayanguda
4. Secunderabad

FIITJEE World Schools at Hyderabad are affiliated to SSC Board – Andhra Pradesh (till class X) and Inter Board (class XI / XII). We are simultaneously seeking International Baccalaureate (IB) affiliation. The International Baccalaureate (IB) curriculum is the most accepted curriculum for admission to US Universities. However, the students will have a choice to choose the board of their preference.

4 Year / 3 Year / 2 Year Integrated School Program for Admission to US Universities

USA UnivQuest program will comprehensively prepare a student for admission to US Universities. The program will effectively cater to all aspects / requirements of admission to US Universities i.e. SAT-I, SAT-II (Physics, Chemistry, Biology, Math Level-1, Math Level-2), TOEFL and Advanced Placements (Calculus AB, Calculus BC, Chemistry, Physics B, Physics C, Biology).

For students who aspire to study in US Universities right from an undergraduate level, this program is a real boon. It provides all the necessary inputs to the aspiring students, right along with his/her normal school curriculum. This ensures a totally stress free, comprehensive preparation for admission to US Universities that too without having to compromise on sports and extracurricular activities.

This program will be for students presently in Class VIII, IX & X (going to IX, X & XI)

Based on their performance few meritorious students selected through Fortunate 40 Test may also be considered for admission to the FIITJEE World School or relevant USA UnivQuest Integrated School Program for admission to US Universities.
