About FIITJEE

FIITJEE was created in 1992 by the vision and toil of Mr. D K Goel, a Mechanical Engineering Graduate from IIT Delhi. We had a very humble beginning as a forum for IITJEE, with a vision to provide an ideal launch pad for serious JEE aspirants. Onto the way to realization of this vision, we somewhere went beyond just coaching for IITJEE. We actually started to make a difference in the way students think and approach problems. We started to develop ways to enhance students' IQ. We started to leave an indelible mark on the students who have undergone FIITJEE training. We started changing lives. And all this was not

a sheer coincidence. It was the urge, the compelling desire, to always aspire for perfection and in the process, continuously keep on setting newer benchmarks of excellence, which enabled us and our students to achieve what we have achieved. Today, aiming for the unachievable and continuously raising the bar has become a part of the FIITJEE DNA.

The success of our students was inspiring and so was their faith in FIITJEE. It was this faith that was a catalyst for our venturing into areas beyond IITJEE. It was this faith that prompted us to embark on a mission to provide wholesome school education to students through FIITJEE Integrated School Programs like Supreme, Pinnacle and Ascent Plus, in a way so that there was no need for any type of coaching outside of the school system. In addition to the launch of FIITJEE Junior Colleges in Hyderabad, many like-minded schools across the country joined hands with us in this student centric endeavor to create Ideal School Education platform for students to get admission in IITs & US Universities without stress & tension along with huge success in Olympiads, SAT-I & SAT-II. We extended this education platform to students preparing for Medical Entrances through GURU Junior College, created specially for Medical Aspirants. And it was this faith only that again enabled us to create landmark success in NTSE.

And it is this very faith that has again inspired us to provide a platform for students aspiring for admission to US Universities in form of USA UnivQuest - a comprehensive program taking care of all aspects of the preparation - in the same old, trusted FIITJEE way. Launch of FIITJEE World Schools at Hyderabad from April 2010 is a concentrated effort in that direction, where students will be trained for the best in the world through methodologies and practices that are truly world class. Students in other select cities will also have an opportunity for preparing for admission to US Universities through USA UnivQuest School Integrated Programs to be run in collaboration with our select associate schools.

This journey from just an IITJEE coaching institute, to the most powerful brand in serious education has been exhilarating. However, the journey is not over yet. For us at FIITJEE, The journey will never be over.... For us, this journey itself is the destination.

Since its inception in 1992, FIITJEE has always supported meritorious and deserving students to succeed in their career goals. Students joining FIITJEE's training programs have excelled not only in IIT-JEE but also in AIEEE, other Engineering Entrance Examinations / SAT / Medical Entrance / Olympiads / NTSE & KVPY. FIITJEE's emphasis on making the students imbibe the fundamental concepts of Science & Maths and on sharpening their analytical skills and parallel thinking processes has ensured that the students have also performed excellently in their school studies & Board Exams.

The prime objective of FIITJEE has been to provide students with a platform where they are able to access the collective knowledge of experts that can help them in achieving their goal. It has been our endeavour at FIITJEE to make this pool of knowledge accessible to as many students as possible, purely based on their capabilities & potential and not on their financial ability. In consonance with this belief FIITJEE has supported financially weak students with scholarships & grants.

Taking the initiative of helping the economically underprivileged to a larger level, in the year 2008, FIITJEE constituted **FORTUNATE 40** – A program to provide world-class training to serious students from financially weaker backgrounds to achieve their goal of success & Top Ranks in IIT-JEE. **The benefit of Fortunate 40 will be extended to Medical Aspirants also through our Selection Test to be held on 15th November, 2009.**

The program will financially support capable students presently studying in class VIII (going to IX) & class X (going to XI) whose parental income is below Rs. 10,000/- per month. FIITJEE will support these meritorious students in their preparation for achieving their dream goal by awarding 100% scholarships for FIITJEE programs & 100% waiver on hostel charges. For Integrated School Program the school fee will be charged from the student (at some locations scholarship on school fee may also be awarded). The FORTUNATE 40 batch for each program, at each location, will have a maximum of 40 students only.

Students will have to appear for a selection test on **15th November, 2009**. There is no registration fee for the selection test. To be eligible for the **FORTUNATE 40** batch, students have to clear the individual subject cut-offs & the total cut-off. Selected students will be notified and admitted to the program of their choice with 100% scholarships.

The final discretion of award of scholarship in each case will remain with FIITJEE and this decision will be final and binding on the candidate.

Though the number of seats in IITs are limited but any student preparing for IIT-JEE at FIITJEE reaps benefits beyond IIT-JEE. FIITJEE takes pride in improving attitude, creativity, analytical skills & IQ of all its students. This change helps each of our students in giving his/her best performance in all vistas of academic pursuits and career thereafter.

For IIT-JEE Aspirants

For students presently in VIII (going to IX)

IITs have restricted the no. of attempts for IIT-JEE. Students now just have two chances – one just after the XII board exams and the second immediately in the next year. They should try to succeed in IIT-JEE in the first attempt itself and not take unnecessary pressure as uncertainty of ill-health or any accidents while appearing for the second & last attempt could be too risky.

Till the eighties, it was alright if you started your preparation just after XI and at the beginning of XII, but even then to get Top Ranks you had to begin your preparation at the commencement of XI itself. In late nineties it became a norm to start preparation at the beginning of class XI and devote at least two years to train rigorously for IIT-JEE.

Now, with the increase in competition and keeping in mind that only two chances are available, only the very talented students can succeed by starting their IIT-JEE training in XI. But, if you do not

have an inborn spark that can put you in Top 6000 students in JEE you have no other choice but to start as early as class IX to achieve the desired success in IIT-JEE.

Four years of intensive IIT-JEE training within the school framework is ambrosia for IIT-JEE. SUPREME – Four Year Integrated School Program helps students excel in IIT-JEE, X & XII Boards, KVPY + Olympiads & SAT besides enhancing their IQ at every stage.

Since, SUPREME - Four Year Integrated School Program (for that matter ASCENT Plus – Two Year Integrated School Program & PINNACLE – Two Year Integrated School Program) is a social effort, the fee that we charge is less than half of our cost of the program, therefore we have very limited seats available in SUPREME - Four Year Integrated School Program as well as ASCENT Plus – Two Year Integrated School Program & PINNACLE – Two Year Integrated School Program.

For FIITJEE Centres offering this program, please refer to Program Availability Grid (enclosed).

For students presently in X (going to XI)

PINNACLE Program prepares a student for IIT-JEE, AIEEE, other Engineering Entrance Exams, International Olympiads, SAT, KVPY & Excellence in Boards.

PINNACLE is a revolution in school education, in fact education at all levels. PINNACLE prepares a student for IIT-JEE within a school schedule ensuring Top success in IIT-JEE as well as XII Board Exams. What's more, students don't have to compromise on sports & extra curricular activities.

PINNACLE - Two

School Program
for IIT-JEE, 2010

My name is Ambuj Kumar Mishra. I joined FIITJEE with the help of FORTUNATE-40 organised by FIITJEE on 10 Feb 2008. I have chosen PINNACLE Two Year Integrated School Programme.

This programme has provided me 100% scholarship in tuition fee as well as in school fee.

My father Mr. Nagendra Mishra is a farmer and his monthly income is about Rs 5000. My father is 12th passed. My postal address is Rampur Mahuawa, Mahorajganj.

Before joining F-40 I was in Jawahar Navodaya Vidyalaya. My dream was to qualify JEE. It was very difficult to get practice of JEE level questions without FIIT-JEE'S help. Teachers provides me deep knowledge about every topic. They teach the tricky approach to solve the questions. FIITJEE provides booklet for each topic. All these facilities provided to me are free of cost.

I got information about F-40 by Dainik Jagran. Now I am in class 11th and FIITJEE is supporting and motivating me to achieve my goal.

FORTUNATE-40 is a golden chance to the students who are desiring to qualify JEE and are less privileged.

मेरा नाम परमानंद सिंह है, मैं बिहार के रोहतास जिले का रहने वाला हूँ, मेरे जीवन यापन का साधन कृषि है।

मैंने अपना जीवन जैसे भी अमावों में गुजारा, परन्तु मेरे जीवन का ये हमेशा उद्देश्य रहा है कि मैं अपने बच्चों को अच्छी शिक्षा दे सकूँ। मेरे जीवन का एक सपना है कि मेरा पुत्र परमात्मा सिंह आई. आई. टी जैसे एक उच्च शिक्षण संस्थान से इंजीनियर बन सके। धान अभाव के कारण मैं अपने पुत्र को उच्च शिक्षा देने के लिये असमर्थ महसूस कर रहा था।

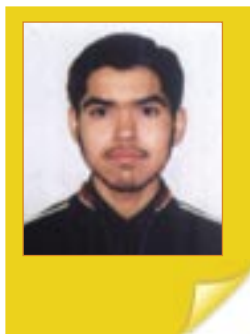

मेरे एक मित्र ने मुझे FIITJEE संस्थान के बारे में बताया, जिसमें एक ऐसा प्रोग्राम है, जो उन बच्चों के लिये है, जिनके माता पिता अपने बच्चों को अच्छी शिक्षा देना चाहते हैं परन्तु धानाभाव के कारण अपने को असक्षम पाते हैं।

मेरा पुत्र परमात्मा सिंह, FIITJEE ~~का छात्र है।~~ संस्थान उसे एक अच्छा वातावरण दे रहा है। संस्थान के शिक्षकों का एक अच्छा मार्गदर्शन मेरे पुत्र को मिल रहा है। समय-समय पर संस्थान हमें, मेरे पुत्र के विकास सम्बन्धी सूचना प्रदान करता रहा है।

संस्थान ने मेरे पुत्र को 100% वजीफा प्रदान किया है। मैं गर्व से कहता हूँ कि संस्थान ने उन लोगों के लिये ऐसा प्रोग्राम दिया है जिनके पुत्र धन की कमी के कारण आई. आई. टी जैसी प्रतियोगी परीक्षा में सफल नहीं हो पाते।

मैं आशान्वित हूँ FIITJEE, मेरे पुत्र को ~~आई. आई. टी~~ आई. आई. टी जैसी परीक्षा में सफल बनाने के लिये उचित माध्यम है।

for IIT-JEE, 2010

My name is Suraj Kumar. I am a student of 'Pinnacle 2008-2010'. My enrolment no. is ITYSD8100076. My father work as a salesman of artificial jewellery. He earns 6000Rs/month i.e 72,000Rs annually. My family has difficulty to run the house as family consist of five members. Since my childhood, I wanted to become a civil engineer through IIT, but I didn't have the financial means to get a good guidance as our financial status was very poor to pass out IIT. So as a ray of hope I decided to give 'FIITJEE FORTUNATE 40' test held on 10th Feb, 2008. I got 100% scholarship for joining the Pinnacle Course. I was very happy to hear that now I can made my dream come true as I was able to overcome with the financial crisis through this FORTUNATE 40 exam where I was granted 100% fee waiver. I am thankful to FIITJEE to have such kind of Test (FORTUNATE 40) to help poor families. I have to pay no money for FIITJEE study material, AITS, Tuition fee, etc. At FIITJEE I get an opportunity to learn under the guidance of very good teachers in PCM. They explain the topic from fundamentals & readily available for clearing out doubts. They advice us how to study, which book we should refer. FIITJEE study material & test series strictly follow IIT pattern. 'Pinnacle Program' provides an opportunity to study 'stress free' for CBSE & IIT & all other engineering exams. I have got 93.2% in my Xth Board exam, still I want to tell you one thing, without FIITJEE guidance, I would not be able to get confidence & solve IIT level problems. Now I have 100% confidence I will qualify IIT & get my rank under 500. So I will advise everyone to join FIITJEE whose aim is IIT.

FIITJEE continuing with its tradition of innovation and setting new benchmarks in the education domain has conceptualized and embarked onto the path of establishing FIITJEE World Schools for students of class VI, VII, VIII, IX, X, XI & XII. FIITJEE World Schools is a concentrated effort towards preparing students for admission to universities in the USA within the regular school timings.

FIITJEE World Schools at Hyderabad will be affiliated to SSC Board – Andhra Pradesh (till class X) and subsequently we plan to introduce International Baccalaureate (IB) curriculum also. The International Baccalaureate (IB) curriculum is the most accepted curriculum for admission to US Universities. However, the students will have a choice to choose the board of their preference.

US UNIVQUEST
