

UDAYA

Two Year Classroom Program for NTSE Selection Year, 2011-12

(For VII studying students)

UDAYA Program prepares a student for NTSE (National Talent Search Examination) and develops a strong reasoning ability & raised IQ.

Program Focus & Objectives

An ideal program for students who wish to climb the ladder of success from class VII itself. National Talent Search Examination (NTSE) is the most prestigious scholarship exam for school studying students. Students of class VIII can only appear in this exam and win scholarships for their entire academic career.

This program helps the student in understanding the basics of Science & Mathematics. Absolute clarity of concepts helps in raising your IQ & reasoning ability and developing a strong foundation that is so essential for success in your career. The course includes training for Stage – I, Stage – II and Interview of NTSE.

What is NTSE?

The National Talent Search Examination (NTSE) is a national level scholarship program in India to identify and nurture talented students. It honours and helps talented students by providing financial assistance in the form of a monthly scholarship for the entire academic career. Students studying in Class VIII are eligible to appear for the selection process. As it is organized by an official body (NCERT), it is widely regarded as the most prestigious examination at high school level in India. For more details of NTSE students can visit www.ncert.nic.in

There is a two-stage selection process for award of scholarship. For Stage-I, selection will be done by States/UTs through the written examination. Each State/Union Territory has been allotted a quota to recommend a specific number of candidates for the Stage II examination, the details of which are available on NCERT website (www.ncert.nic.in). Students who qualify Stage I will be eligible to appear for Stage II examination conducted by NCERT

Why should I appear in the NTSE?

NTSE is one of the oldest and most prestigious scholarship exams in India. An NTSE scholar commands tremendous respect in the society. Around 1000 scholarships are awarded to students appearing for Class VIII examination. It honours and helps talented students by providing financial assistance in the form of a monthly scholarship. For the courses in Basic Sciences, Social Sciences and Commerce, this assistance is provided up to Ph.D. level. For professional courses like Engineering, Medicine, Management and Law this assistance is given only up to Post Graduation

The pattern of written examination

Stage I examination at the State/UT level will comprise two parts, namely (a) Mental Ability Test (MAT) and (b) Scholastic Ability Test (SAT) covering social sciences, sciences and mathematics.

Stage II examination at the National level will comprise (a) Mental Ability Test (MAT), (b) Scholastic Ability Test (SAT) covering social sciences, sciences and mathematics, (c) Interview.

Only those candidates who qualify the written examination at the National Level will be invited for interview.

When is the NTSE conducted?

Stage Dates

Stage I (State)	Last Date for Submission of Application Form End-August
State Level Talent Search Examination	2nd Sunday of November
Stage II (National) National Talent Search Examination	2nd Sunday of May

Course Structure of UDAYA - Two Year Classroom Program

- ❖ Entire course will be covered in **6 phases**.
- ❖ Single comprehensive study material. Additional problems will be supplemented wherever necessary students should not require any additional books etc.
- ❖ Work Books for Home Assignment.
- ❖ **Chapter Practice Problems (CPP):** On each chapter students will be given chapter practice problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty and will be returned to the students with remarks and suggestions. Thus helping every student to have a very strong command over fundamental concept knowledge very crucial for getting Top ranks.

- ❖ **Class Learning Improvement Program (CLIP):** Icing on the cake of every class will be done through Class Learning Improvement Program for those who have completed all assignments to further help them get a higher rank in NTSE.
- ❖ **Rank Potential Index (RPI) / Success Potential Index (SPI):** We are the only institute in India having the capability to predict Rank Potential Index (RPI) / Success Potential Index (SPI) of a student. We constantly encourage our students to emulate their Rank Potential Index (RPI) / Success Potential Index (SPI).
- ❖ **Mock NTSE Test series across the country for all FIITJEE students.**
- ❖ Students also gain important exam practice through quizzes, phase tests, & mock tests (conducted in a simulated environment giving the students a 'feel' of the real exam) that can help them improve their examination temperament - a necessary element for success in any competitive exam.
- ❖ Regular feedbacks & test analysis sessions.
- ❖ Special sessions for Vedic Mathematics.
- ❖ Dedicated academic operations team provide feedback at any point of time apart from scheduled parent teacher meetings.

Duration

- ❖ **400 hrs.** Including classroom interaction and tests.

START EARLY – BEAT THE COMPETITION

Benefits of Early Joining

- ❖ Gives you more time to adapt to the quantum jump in level of difficulty with better ease as there is more time for understanding and consolidation over a longer spread academic plan.
- ❖ Optimum utilization of time available.
- ❖ Early starters will always have more time before the actual Competitive Exams as their course curriculum will finish much before the batches starting later.
- ❖ More time to consolidate on one's performance and for self revision, polishing of examination temperament & removal of last moment doubts. This is very vital to help a student achieve a quantum jump in the performance in Competitive Examination.
- ❖ As serious aspirants never would like to wait, the competence of the batch starting early would be very high as the brightest/serious of the lot will join at this stage thus giving you that better competition you always wanted.
- ❖ Earlier tests & joining FIITJEE give you more time for academics, extra inputs for NTSE studies and lower fees.
