Common University Entrance Test CUET (UG) 2023 & XII Boards

Comprehensive preparation for Common University Entrance Test [CUET (UG)]

About Common University Entrance Test (CUET (UG) - 2022)

The Common University Entrance Test (CUET (UG) - 2022) is being introduced for admission into all UG Programmes in all Central Universities for academic session 2022-23 under the Ministry of Education, (MoE). The Common University Entrance Test (CUET) will provide a common platform and equal opportunities to candidates across the country, especially those from rural and other remote areas and help establish better connect with the Universities. A single examination will enable the Candidates to cover a wide outreach and be part of the admissions process to various Central Universities. State level Universities and Private Universities may also opt Admission through CUET.

FIITJEE prepares you for competitive exams in a Pattern Proof Mode. This means that you are prepared to give your best and optimum performance even if the pattern of the exam is changed at the last minute. We are the only institute whose Students do well not only in JEE Main & Advanced but also in XII Boards, Other Engineering Entrance Exams, scholastic exams and other entrance exams.

Program Focus & Objectives:

Excellence in CUET : The long-term focus of this transformational program is to raise your IQ i.e. sharpen analytical skills & mental ability and evolve your thinking process. This empowers you to achieve best possible performance in CUET. **FIITJEE will offer those courses / branches under various Universities through CUET primarily which are available based on Physics, Chemistry & Mathematics exam.**

Course Structure:

- ❖ **Entire course (approx. 360 hrs.) is divided into 3 phases followed by additional special classes of Rank performance enhancement Program of 50 hours.**
- ❖ Additional 40 hours of Mental Ability / Mathematical logical / reasoning will also form a part of the program.
- ❖ **Chapter Practice Problems (CPP):** On each chapter students will be given chapter practice problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty members and then would be returned to the students with remarks and suggestions. Thus, helping every student to have a very strong command over fundamental conceptual knowledge, which is very crucial for getting Top ranks.
- ❖ **Class Learning Improvement Program (CLIP):** Icing on the cake of every class will be done through Class Learning Improvement Program for those who have completed all assignments to further help them get a higher Rank / performance in CUET.
- ❖ Each phase has exhaustive quizzes and Phase Tests.
- ❖ Phase Tests are followed by **Test Analysis Sessions.**
- ❖ Right mix of classes and problem solving.
- ❖ Comprehensive & thoroughly revised study material.
- ❖ Regular feedbacks.
- ❖ Home assignments / Workbook.
- ❖ Common Phase Tests across the country.

- ❖ **All India Computer Based Test Series (AITS - CBT):** to be conducted at the National Level on the present & expected pattern of CUET where 3 part tests + 7 full tests will be provided. First full test to be like FIITJEE Open Test.
- ❖ **24/7 accessible Online Test Series with deep concept wise analytics & insights.**
- ❖ Dedicated academic operations team provides feedback at any point of time apart from scheduled parent teachers meetings.

Duration:

Classroom contact hours of approx. (approx. 360 hrs.) is divided into 3 phases followed by additional 40 hours of Mental Ability / Mathematical logical / reasoning will also form a part of the program. However, the actual total input provided to the student is more which includes

- ❖ Doubt Clearing Classes
- ❖ Additional 50 hours of Rank performance Improvement Program (RIP)

Excellence in CUET & Other Competitive Entrance Exams

At FIITJEE you will find a very powerful system that can help you unfold your full potential systematically. We train our students in such a way that they are ready to scale competitive exams successfully irrespective of the pattern. What is required is total dedication and hard work.

This program is integrated and implies that we judge you only once and then take the responsibility of navigating your career for the entire curriculum.

Class Timings:

Classes shall generally be held three to four days a week, during weekdays (except during vacations, during which the frequency of classes may increase). The classes are usually conducted from 3:30 p.m. to 7:45 p.m.

Note: The schedule of classes may vary from one study centre to another. Kindly contact your nearest FIITJEE centre for more details.

Since inception, FIITJEE has laid emphasis on making the students imbibe the fundamental concepts of Physics, Chemistry & Mathematics and on sharpening their analytical skills and parallel thinking process.

Do not expect miracles or wonders from FIITJEE. We are here to give you the best possible support. Inputs that you will receive from FIITJEE will be better than that received by all our earlier students as every year we try to put in better efforts.
