

Intensive Contact Program for JEE (Advanced), 2020

100 Hours Program (for XII Studying / XII Pass Students)

Program Focus & Objectives:

This program is open to all those brilliant students, who could not join any of FIITJEE's long duration classroom programs. This is a medium duration program which includes specifically & strategically formulated assignments with problem solving techniques besides lectures and tests. This program can take your Rank from 2000 to even in Top 20.

Important features of Intensive Contact Program:

- ❖ Leading to significant improvement in the **JEE Advanced Rank** for those who are well prepared and could not join any of the FIITJEE's classroom programs earlier.
- ❖ Toning up of the skills, plugging loop holes and raising the level of confidence.
- ❖ Laying emphasis on problem solving techniques.
- ❖ Clearing stumbling blocks.
- ❖ Empowering each student to have a strategy of his own for **TIME MANAGEMENT** which is very crucial at this juncture. The student will be learning all important aspects of time management which will make the student perform to his/her best potential on the JEE Exam day.
- ❖ Developing Revision Strategies to achieve optimum performance on JEE day.

Course Structure:

- ❖ **An Exclusive & Specialized Study Material** will be given to the students consisting of specifically and strategically formulated assignments, which will take care of the needs and demands of JEE (Advanced) pattern.
- ❖ **All India Computer based MINI Test Series (AITS):** To develop Sound Examination Temperament, strategically designed Tests (4 Tests for batch starting 3rd February 2020 and 3 Tests for batch starting 23rd April 2020) on the new Online pattern and level of difficulty of JEE (Advanced), 2020 will be given as a part of this Program.
- ❖ **Online Test Series Support through "JEE Advanced (Ranker)": myPAT (www.mypat.in)** is an Online Platform for Learning through Assessment, Analysis, Identification of Knowledge Gaps and Remedy Options. The test papers are designed to enable you to evaluate your performance in Real JEE conditions. One can figure out his/her performance in various areas as in concept, chapter, subject etc. both in absolute & relative terms. Instant feedback and Analysis helps strategizing for optimum success.

With myPAT - You Can

- Take 10 Full Tests for JEE (Advanced).
 - Experience simulated test environment for your preparation.
